

Declaration of Performance – Ref.No 020

acc. to REGULATION (EU) No 305/2011 Article 4

1. Identification code of product-type	HPL composite panel VE690-LK																																										
2. Identification	VE690-LK: Duropal Element Birch Multiplex																																										
3. Intended use	HPL composite panel intended for internal wall and ceiling finishes (including suspended ceilings)																																										
4. Manufacturer	Pfleiderer Leutkirch GmbH, Wurzacher Str. 32, D – 88299 Leutkirch																																										
5. Authorised representative	Pfleiderer Deutschland GmbH, Ingolstädter Str. 51, D – 92318 Neumarkt																																										
6. System of assessment and verification	System 4																																										
7. Assessment of performance	not relevant																																										
8. European Technical Assessment	not relevant

Identification code	VE690-LK	<i>Harmonised technical specification</i>																																									
Thickness	19.6–28.6 mm																																										
<i>Essential characteristics/main features</i>	<i>Declared performance</i>																																										
Reaction to fire (Euroclass)	D-s2,d0	EN 438-7:2005																																									
Fire resistance	NPD																																										
Water vapour permeability (wet cup)	NPD																																										
Water vapour permeability (dry cup)	NPD																																										
Resistance to fixings (face)	≥ 2,000 N																																										
Resistance to fixings (edge)	≥ 2,000 N																																										
Direct airborne sound insulation	NPD																																										
Bonding strength	≥ 1.7 N/mm ²																																										
Flexural tensile strength	≥ 1.7 N/mm ²																																										
Thermal conductivity	NPD																																										
content of pentachlorophenol	≤ 3 ppm																																										
Formaldehyde release	E1 E05																																										
Sound absorption	NPD																																										
Durability – Glue-line quality	5 rating																																										
Durability – Resistance to elevated temperature	no effect																																										
Durability – Water resistance	≤ 10 %																																										
10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
