

|    |                                       | Declaration of Performance (CE) – Ref.No 4150fl acc. to REGULATION (EU) No 305/2011 Article 4   |
|----|---------------------------------------|---|
| 1. | Identification code of product-type   | PerformBoard Bfl P4 – 4150fl  |
| 2. | Intended use                          | Load-bearing boards for use in dry conditions.  |
| 3. | Manufacturer                          | Pfleiderer Deutschland GmbH, Ingolstädter Str. 51, D – 92318 Neumarkt   |
| 4. | Authorised representative             | not relevant  |
| 5. | System of assessment and verification | System 2+   |
| 6. | Assessment of performance             | The notified body Fraunhofer-Institut für Holzforschung Wilhelm-Klauditz-Institut WKI, Riedenkamp 3, 38108 Braunschweig, Deutschland has issued the certificate 0765-CPR-1256 (P4) about the product conformity according system 2+ based on the following: The certificate confirms, that all provisions concerning assessment and surveillance of the continuous performance described in annex ZA of the harmonized standard EN 13986:2004+A1:2015 according system 2+ are applied and that the factory production control fulfills all in it stipulated requirements. |
| 7. | European Technical<br>Assessment      | not relevant  |

## 8. Declared performance

|   | Thickness | 38 mm   | Harmonised technica   |
|---|-----------|---|-----------------------|
| Essential characteristics/main features               | Unit      | Declared performance  | specification         |
| Strength, tension (ft)                                | N/mm²     | 5.0   | EN 13986:2004 +A1:201 |
| Strength, compression (fc)                            | N/mm²     | 7.6   |                       |
| Strength, bending (fm)                                | N/mm²     | 7.5   |                       |
| Stiffness, panel shear (fv)                           | N/mm²     | 4.4   |                       |
| Stiffness, planar shear (fr)                          | N/mm²     | 1.1   |                       |
| unching shear as point load strenght                  |           | NPD   |                       |
| unching shear as point load stiffness                 |           | NPD   |                       |
| Racking resistance                                    |           | NPD   |                       |
| npact resistance                                      |           | NPD   |                       |
| ire behavior of floor coverings                       |           | B <sub>fl</sub> - s1  |                       |
| Reaction to fire                                      |           | D-s2,d0 conforming to EN<br>13986 dependent on end use<br>(Thickness: ≥ 9 mm / Gross<br>density: ≥ 600 kg/m³) |                       |
| Vater vapour permeability, wet cup µ                  |           | 15  |                       |
| Vater vapour permeability, dry cup µ                  |           | 50  |                       |
| Class, formaldehyde release                           |           | E1 E05  |                       |
| Release (Content), pentachlorophenol PCP)             | mg/kg     | < 3   |                       |
| uirborne sound insulation (surface nass)              |           | NPD   |                       |
| Sound Absorption frequency range<br>50 Hz to 500 Hz   |           | 0.1   |                       |
| Sound Absorption frequency range<br>000 Hz to 2000 Hz |           | 0.25  |                       |
| hermal conductivity (density)                         | W/(mK)    | 0.12  |                       |
| mbedment strength                                     |           | NPD   |                       |
| ir permeability - 50 Pa                               |           | NPD   |                       |
| nternal bond  | N/mm²     | 0.2   |                       |
| Swelling in thickness, 24 h                           | %         | 14  |                       |
| nternal bond after boil test                          |           | NPD   |                       |
| actor of modification (kmod)                          |           | NPD   |                       |
| actor of distortion (kdef)                            |           | NPD   |                       |

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 3.

Signed for and on behalf of the manufacturer by:

Date of issue: 2025-12-01

i. V. Claus Seemann Head of productmanagement core materials (Document was created electronically and is therefore valid without signature!)

NPD: performance not defined

Technical values refer to the core material; Fire behaviour refers to the coated substrate
