PRODUCT INFORMATION

Duropal worktop accessories – stock range D/A/CH 2025-2028

Duropal worktops can be used wherever the highest standards of durability and longevity are required. Due to their hygienic advantages, the classic areas of application are modern kitchens and bathrooms, hobby rooms, canteens and restaurants as well as doctors' surgeries or laboratory and shop fitting, and also industrial and commercial workplaces.

The variety of decors means that Duropal worktops can be selected according to application and design requirements - from classic to modern.

To ensure that your worktop fits perfectly into the room, Pfleiderer, together with REHAU Industries SE & Co. KG, offers a matching range of accessories such as upstands, edge materials, HPL edging strips and back panels.

The expertise and customer-centred service make the difference. With its partner REHAU Industries SE & Co. KG, Pfleiderer can complement this optimally through its upstand and edge material products.
