

Pfleiderer: quickly available design variety with the EXPRESS collection 2025- 2028

Neumarkt, January 2025 - Pfleiderer, a leading wood-based materials manufacturer in Europe, is presenting its renewed and particularly quickly available EXPRESS collection for furniture and interior design as part of the new 2025 - 2028 collection. From the 273 decors in the design collection, 154 decors are part of the EXPRESS collection - and are therefore available in the stock and fast delivery programme as DecoBoard P2, Duropal HPL laminate and HPL composite elements. In addition, the rapid availability of the anti-fingerprint products XTreme, XTreme plus, XTreme Touch and PrimeBoard P2 has been extended. An absolute novelty in the fast delivery programme is the availability of the complete EXPRESS collection as OrganicBoard Pure P2 and Duropal composite element Organic Pure P2. The new DeepFlow range is also brand new to the stock programme.

Design diversity that packs a punch

The EXPRESS collection from Pfleiderer is divided into a stock and a fast delivery programme with a total of 154 designs. In the stock programme, 69 of these decors are available in 118 variants as melamine-coated DecoBoard P2 in the standard format 2,800 x 2,100 x 19 mm as well as in other formats and thicknesses. Furthermore, 12 additional DeepFlow variants with the deep Vienna texture are also available.

As a Duropal HPL laminate, these 154 and the other 119 decors in the design collection are available from stock in the formats 2,800 x 2,070 and 4,100 x 1,300 x 0.8 mm. In addition, 24 variants of the XTreme products Duropal XTreme, Duropal XTreme plus in 4,100 x 1,300 mm and PrimeBoard XTreme Matt P2 in 2,800 x 2,100 mm are available. A further 14 variants are available as Duropal XTreme Touch in 4,100 x 1,300 mm.

With the exception of the specific decors for worktops, this also applies to the door formats. 266 designs are in stock in 2,150 x 915 / 950 /

1,050 / 1,300 mm as well as 2,350 x 950 / 1,300 mm and 3,050 x 1,300 mm - as are the 24 variants each of Duropal XTreme and Duropal XTreme plus as well as the 14 variants of Duropal XTreme Touch. Also available from stock in high-quality high-gloss lacquer: 7 PrimeBoard XTreme high-gloss P2 decors in 2,800 x 2,100 x 19 mm format.

All 154 designs can be found in the fast delivery programme. They are available there as DecoBoard P2 with a standard texture in 2,800 x 2,100 x 8– 38 mm. As a Duropal HPL composite element, all decors and the 119 other decors from the design collection are also available here with a standard texture in 2,800 x 2,070 x 9.6– 39.6 mm and in 4,100 x 1,300 x 9.6– 39.6 mm. DeepFlow with the deep Vienna texture is available in all standard thicknesses.

The OrganicBoard Pure products launched in 2024 with their 100% recycled wood core and the 100% biogenic OrganicGlue glue are now also part of the fast delivery range: almost all 154 decor-texture combinations are available as OrganicBoard Pure P2 in the format 2,800 x 2,100 x 8 / 10 / 16 / 18 / 19 / 22 / 25 mm and as Duropal composite element Organic Pure P2 in 2,800 x 2,070 x 9.6– 26.6 mm.

Closer to the daily needs of customers

"With our particularly extensive range of plain decors in the product composite, the application-oriented variety of formats in the HPL products, the XTreme Products in coordinated, identical decors and the complete decor and product range in coating and HPL composite with OrganicBoard core, the new EXPRESS collection has once again taken a few steps closer to the needs of our customers and the market . It ensures rapid availability of numerous classic and smart surfaces ", says Michael Schiebe, Sales Manager Retail and Contract Core West at Pfleiderer Deutschland GmbH. "Thanks to the expansion of XTreme products and the integration of all common door formats into the warehouse programme, customers in the furniture and interior design sector will also have even easier and faster access to important products and formats as well as special functional surfaces from 2025."
